

Youth Conservation Corps Summer Program

Since 1974, the Youth Conservation Corps (YCC) Summer Program provides: **work, education,** and **leadership** opportunities through hands-on experiences in the field of conservation to Youth throughout Lake County.

Members of the program perform projects throughout several preserves such as: wetland restoration, clearing invasive species, planting native species, as well as park construction and maintenance. Training and supervision is provided by former members who serve as crew leaders and professionals from the Lake County Forest Preserves.

Through their efforts in protecting and improving the Lake County Forest Preserves, students learn the value of teamwork, community, and why preserving and maintaining public open space and natural areas is important to society. Some even discover a lifelong career.

In addition to the Summer Program, YCC provides several year-round programs for disadvantaged youth in Lake County. To learn more about our YouthBuild and AmeriCorps Programs, visit us at youthconservationcorps.org

CHARITY GOLF OUTING

Thursday, August 26, 2021
Thunderhawk Golf Course

Sponsored by:

Walgreens Boots Alliance

2021 CHARITY GOLF OUTING

Thursday • August 26

By participating in this year's outing, you are investing in the Lake County community, our young people, and the environment. You and your guests will have a chance to meet and network with other prominent business and community leaders. Join us today, and together we can make a difference in the future of our community.

ABOUT THE EVENT SPONSOR

Walgreens Boots Alliance

Since 1981, Walgreens and several other leading Lake County companies have supported the YCC program through their active involvement. Walgreens is the major sponsor of the golf outing, which is YCC's main source of funding for the Summer Program.

SCHEDULE

9 a.m.

Check In

Driving Range Available

Box Lunch Pickup

Silent Auction Opens

10 a.m.

Shotgun Start

Best Ball, Scramble Tournament
